

What You'll Need:

- A 9x13 pan of brownies, cooked and crumbled
- 2 (3.9 ounce) boxes of instant chocolate pudding, prepared according to package directions
- 1 (16 oz.) Cool Whip
- Toffee bits (I bought a bag but only used about half of it)
- optional Hot Fudge Syrup

LAYER everything together in order in a trifle bowl:

1/2 crumbled brownies

1/2 chocolate pudding

1/2 Cool Whip container

Sprinkle a thin layer of toffee bits.

Optional: drizzle with hot fudge syrup

Repeat.

Chill until ready to serve. *Note: You can make this dessert a day ahead of time.
